INFORMATION DISCLOSURE STATEMENT

Sir,

Pursuant to 37 C.F.R. § 1.56, Applicant brings to the attention of the Examiner the documents listed on the attached PTO 1449. It is believed this Information Disclosure Statement is being filed within three months of the filing date of the above-referenced patent application as well as before the first Office Action on the merits.

This application is a divisional of U.S. Application No. 10/005,431 filed November 2, 2001, now awaiting issuance. The Examiner is referred to the files of this application for documents of record. Copies of Information Disclosure Statements filed in this case are included for the Examiner's reference. Also included is a copy of the International Search Report for corresponding application PCT/US01/46940. References cited in the Report were submitted in parent Application 10/005,431.

This submission does not represent that a search has been made or that no better information exists and does not constitute an admission that each or all of the listed documents alone or in combination, are considered to be material to patentability as defined under 37 C.F.R. § 1.56(b).

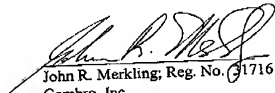

Atty. Docket No.: B0023-US02

It is believed no fee is required in connection with the filing of this statement. If this is incorrect, please charge any such fee to deposit account 03-2316.
